**Paraphrase of Cable from Prague, dated 24 March 1946,

LC 576 F-0 Deven 5.

Our subsource, a member of the Rabbinical Council of Krakow, stated that the Krakow Municipality has been requested by the Visknypt authorities to prepare food and lodgings for about 150,000 Polish Jews who are to be repatriated from Russia in the near future.

Due to the present anti-Semitic attitude of the Poles, our subsource is greatly concerned as to the safety of these Jews who might become victims of large scale pogroms provoked by members of the Home Army and the Polska Sila (Sily) Zbrojne Polish Armed Forces.

A punch will follow.
